

REMARKS

Claim Rejections

Claims 14-16, and 25-30 are rejected under 35 U.S.C. § 112, second paragraph, as failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention.

Claim 25 is also rejected under 35 U.S.C. § 102(e) as being anticipated by Kim (6,686,529).

Claim Amendments and Allowable Subject Matter

The Examiner has indicated that claims 1-13 and 17-24 are allowable. By this Amendment, Applicant has canceled claims 14-16 and 25-30, and has rewritten claim 17 in independent form and amended claims 18-24 to depend from claim 17. It is believed that all of the claims remaining in this patent application contain subject matter against which no prior art citations have been made.

Summary

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,
